

Regarding Open Records Request of MPCS from CO Code

*(6) (a) A custodian (MPCS) may impose a fee in response to a request for the research and retrieval of public records only if the custodian has, prior to the date of receiving the request, either posted on the custodian's web site or otherwise published a written policy that specifies the applicable conditions concerning the research and retrieval of public records by the custodian, including the amount of any current fee. Under any such policy, the custodian shall not impose a charge for the first hour of time expended in connection with the research and retrieval of public records. After the first hour of time has been expended, the custodian may charge a fee for the research and retrieval of public records that shall not exceed thirty dollars per hour.*

This applies to MPCS with approval of their Governing Council at their meeting on 3/3/15.
