

# ~ The Ellersiek Hand Gesture Work ~

Presented by Kristina Parow, Nancy Blanning, Lynn St. Pierre  
and special guests from the Ellersiek trainers meeting here in Colorado

Saturday January 9<sup>th</sup> 9am - 4pm

Shining Mountain Waldorf High School, corner of Union & Broadway ~ Boulder, Colorado

Kristina Parow from Stuttgart, Germany will focus on games for the very young child pre- birth through age 3½ . Kristina worked with the Ellersiek circle in Germany for many years and collaborated in developing the Ellersiek teacher training program there. Lynn St. Pierre and guests will present games for the older children ages 3½ to 6.

Nancy Blanning will share the therapeutic aspects of the games. These games demonstrate great wisdom in supporting healthy sensory development.

We'll do a variety of games including loving touch, dancing hands, delightful movement games and singing in the mood of the fifth. This work may be included in your circles, festivals, movement journeys, parent nights or as transitional pieces throughout the day with the children.

**Join us for a day of delightful finger plays and movement games  
that will engage your children in the most wonderful ways!**
