

May Faire & Grandparent's Day  
Friday, May 5, 2017  
8:00am - 11:00am

We are excited to welcome grandparent's and significant elders to our Mountain Phoenix and give them the opportunity to experience MPCS school culture and be a part of our beautiful May Faire celebration.

The schedule of events for the day will allow elders to be with children in the classrooms and also witness the May Pole Ceremony. Pre-K and Kindergarten will be providing special marionette puppet play for children and their elders to enjoy and dancing around their own May Pole

The schedule was designed to try and accommodate those elders with children in multiple grades so please feel free to rotate between activities and classrooms as needed. Please make sure all grandparents and elders know teacher names for the classes they need to visit so we can direct everyone where they need to go!

#### Important Notes For Parents

- Parents are invited to the May Pole ceremony from 9:30 - 10:15 am only (for the grades). Parents will not be involved in classroom programs, the puppet shows or the ECE May Pole due to space constraints. Please be aware that parking will be extremely limited due to Grandparent's Day and plan accordingly if you wish to attend the May Pole ceremony.
- Don't forget to have your children wear white!
- Remember: No Pizza Friday scheduled for this day; all children must have a packed lunch.
