### Permission to Seek Emergency Medical Treatment

By enrolling my child in Mountain Phoenix Community School, I hereby grant permission to MPCS to see emergency medical treatment for this child. Should an emergency arise, it is understood that a conscientious effort will be made to locate the undersigned parent(s) before any action will be taken. If, however, it is not possible to locate either parent, I accept the decisions of the representatives of the school to contact 911. I will be responsible for any costs associated with emergency transport and medical care for my child.

### Volunteer Agreement:

Mountain Phoenix Community School thrives due to the commitment and efforts of our parents and caregivers. We depend upon and welcome volunteerism of all kinds. Whether it is skilled trade work or traffic supervision at pickup, we gratefully request that each family find a way to serve the school, according to your individual abilities and interests.

We ask that families contribute 40 volunteer hours per year. Separate households or single parent households will be responsible for 20 hours per parent/guardian. In lieu of these hours, families may choose to donate \$10 per hour. Homeschool families do not have a volunteer requirement, but we are so thankful for any help you do provide.

I understand and agree to uphold my volunteer commitment to MPCS.
